

You Still Have Delta Insurance Coverage in Our Office!

Dear Patient,

You may have recently received a letter from Delta Dental. This letter has caused some confusion. We are reaching out today to let you know that we will discontinue participating in the *PPO* network and will continue, as **Delta Premier Providers**. This is the traditional Delta Dental.

Your Delta Dental policy likely already has dual benefits that you can utilize, while still providing excellent coverage and a network discount.

You don't need to worry about changing anything on your end. We'll take care of it all when we send in your claims. As with all insurances, there are variations, and we'll work through these with our patients one at a time.

It's our pleasure to serve you. We feel that in the long run, there will be less confusion as we consolidate our insurance networks.

Sincerely,

Doctors and Team at Silverton Family Dentistry
